Special Women’s Weekend

On February 21-23, the annual Special Women’s weekend was held in Kirksville, Missouri. This event was planned by our two special events officers, Karen Voss and Brittney Swope. The two officers were very successful and had a great turn out.

Over 100 girls and special women came to the event, regardless if it was a mother, friend, sister, or family member that was invited.

On Friday, the members and their special women were invited to sit back and relax with coffee, hot chocolate, movies and games. On Saturday, the two officers decided to focus on one of the main aspects of TLS: service.

During this event, the women made door decks, created RAKs (Random Acts of Kindness) to give to a decided group later, wrote letters to soldiers, made monster bookmarks to sell at the annual Relay for Life event, and finally, made dog toys for the local humane society in Kirksville. Later that evening, the women were invited to have a special catered dinner at the local restaurant, Steve’s Garden Deli. Also at this event were activities and photo opportunities available. Finally, on Sunday, a Brunch was held at Diner 54.

Congrats Brittney and Karen! You did a great job putting on the successful event!

From left to right, Elizabeth Williamson, Beth Ryan, and Cady Flood pose for a picture in the photo booth.

And Don’t Forget!

Hello Alum! Don’t forget, Alum Weekend is coming up. It will be held March 21-23 in Kirksville Missouri. Here is the current itinerary.

Friday: Movie Night

Saturday: Phone-a-thon, Sweet Expressions, and Bar Crawl

Sunday: Brunch at Rosie’s

I hope to see all of you there!

Also, don’t forget to tell me

about whatever might be going on in your lives! Our active members love to hear the updates about your amazing accomplishments and successes. We’re very proud of our alum and want to recognize you!

What qualifies for the Alum Newsletters?

- Weddings, marriages, proposals, etc.
- School, internships, job successes, etc.
- Family related news
- EVERYTHING!

Inside TLS: Our Successes and Stories

Congratulations to Emily Haynes! She will be interning in O'Fallon, Missouri this summer at MasterCard. She will be working in the Internet Engineering department while interning there. Congratulations, Emily! We're very proud of you.

In February, Cecily Boyle had an exciting experience. Here is her story!

"I got to travel back in time to the 1940s to see two episodes of I Love Lucy being recorded! But really, I went to Fayetteville, Arkansas on Saturday, February 8th and saw I Love Lucy Live On Stage. It was very authentic and I really did feel like I was in the 1940s watching the real Lucille Ball and Desi Arnaz." Pictured left bottom.
